Warm greetings from **Tripura**, the sacred land of Mata Tripureswari Temple, the revered Shakti Peeth.

Agartala Obstetrics & Gynecological Society (AOGS) is delighted to extend a warm welcome and is truly honoured to host the prestigious **35th Northeast Obstetrics & Gynaecological Societies Conference (NEOGSCON)** in Tripura from **20th to 22nd November 2026**, where rich cultural heritage meets natural splendour and warm hospitality.

This year's conference, themed **"Closing Gaps in Women's Health care,"** aims to ensure that all women receive equitable, accessible, and high-quality healthcare services throughout their life course. Despite progress, many gaps still exist due to social, economic, cultural, and systemic barriers.

The program is thoughtfully designed to foster interdisciplinary dialogue and provide a comprehensive, holistic perspective on women's health.

Our unique ethnic diversity offers a vibrant platform for engaging cultural exchanges alongside compelling academic discussions in women's health. The conference will provide a stimulating academic experience through comprehensive workshops and scientific sessions.

Known as the "Land of Palaces, Hills and Rivers," Tripura boasts a unique blend of tribal and non-tribal cultures, exquisite handicrafts, and breathtaking natural beauty. We earnestly invite you to experience the warmth and hospitality of Agartala amidst the serene charm of its landscapes.

Join us at **NEOGSCON 2026 in Agartala**, which promises a harmonious blend of academically enriching scientific deliberations and immersive cultural experiences.
